Chapter 11 Case No.

08-13555 (JMP)

Fortieth Omnibus Objection to Claims (Late Filed Claims)

Claimant: PAOLA BIRASCHI

Claimant's and claim Amount: \$559,676.00 increased  
on the basis of deferred stock compensation

I oppose to the objection and ask for my claims  
not to be disallowed, expunged, reduced or reduced  
sided because the late filing was not dependant on  
any circumstances. In fact, I duly posted my claims  
from the Post office in Canary Wharf, London, UK, at least  
5 days prior to the deadline. The Post office indicated  
to me that it would only take 3 days for the letter  
to be received and I therefore relied on the Post Office.

Regards,  
Paola Biraschi
